SCHOOL HIGHLIGHTS

Congratulations to all of the Y6 children (and staff) for **completing the exam phase of SATs** last week. Now the focus for the year group is writing, sports, the residential the trip to London and preparing for high school. There is a teacher from Ormskirk High School visiting us and meeting Y6 on Monday morning.

Last week, we were also pleased to welcome **Year 10** students as part of their **work experience** placement. They have supported across school with enthusiasm and responsibility, and we thank them for their contribution.

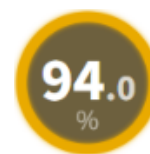

From Tuesday, we will have pedal go-karts on site, as well as a bouncy castle obstacle course. These will mainly be used for the **triathlon**, which is completely optional – children will take part in pairs, competing alongside a friend. The event involves swimming two lengths (four for Years 5–6), followed by changing into trainers and a T-shirt (children should bring with them on the day), completing laps on a go-kart around the playground, running around the large tree on the field, and finally finishing with the obstacle course.

The **triathlon is for junior pupils only**. Years 3–4 will participate on Tuesday afternoon, and Years 5–6 on Wednesday. Please note that there will be **no school swimming lessons this week** due to the triathlon and a life-saving course taking place on Thursday.

Details for the **Y4 Camp night** have been sent separately – just for Y4 parents.

A brief meeting about the **London trip** will take place on Tuesday 2nd June, 3.30–4pm in the dining room, to cover final details including drop-off and pick-up.

Last **week's attendance is 94%** and it remains below our school target of 96%. Please report **absence due to illness** via the [Studybugs](#). Our pastoral teacher, Mrs Bull, continues to be available to discuss any attendance-related matters should you need support.

Please note the following key weeks for school in June:

Fortnight beginning Monday 1st June: **Y4 Multiplication Check** for all Y4 children (one at a time so over two weeks). Please keep practising those times tables.

Week beginning Monday 8th June: **Y1 Phonics Screening**
