HEADTEACHER UPDATE

Thank you for all of the bottles which will contribute to our summer fayre on Friday 19th June. **We do need some volunteers to help** with the cake store and the tea and coffee areas. If you think you

would be able to spare half an hour or even better an hour on Friday 19th please message on the school Gateway. Thank you!

To help with **Sports Day**, ideally the children come in their team colour (yellow, red, green or blue). All information regarding colours was shared with parents via email last week. Please note that House colours are assigned when a child joins the school and remain the same throughout their time here. Siblings will always be allocated the same colour.

Last week felt more like it a fortnight with **interviews** for a new teacher (to cover Mrs Sheppey), tours for prospective parents and potential headteacher candidates and then on Friday county advisers moderating our writing. All went well and our writing was spot on. 😊

Congratulations to Mrs Blake who is now Mrs Sherman after getting married in half term. Also, congratulations to Alastair Sheppey who is the first bouncing baby in the Sheppey family. 😊

Mrs Sheppey was the Year 3 and Year 4 Phase Leader and our SENCo. For the next few weeks until the end of term do message myself or Mr Boyd for any Phase Leader questions or questions relating to SEN.

We have **Tadpoles sessions** on a few afternoons this week and there is a Full Governors' Meeting on Wednesday. But by the end of this week we will be able to share who will be your child's teacher in September and which support staff are likely to be in each year group.

Last **week's attendance is 94.1%** and it remains below our school target of 96%. Please report **absence due to illness** via the [Studybugs](#), which is the most efficient system for the school and provides health guidance from the UK Health Security Agency. Our pastoral teacher, Mrs Bull, continues to be available to discuss any attendance-related matters should you need support.

Good attendance and a proper night's sleep are important for all children across the school, particularly at this time of year. We would like to remind parents of Year 1 and Year 4 pupils to be especially mindful of this, as Year 1 children will be completing their Phonics Screening Check this week and Year 4 pupils will be undertaking their Multiplication Tables Check.

QUICK REMINDERS

- Please can parents **label ALL items of children’s uniform** as this means we can return lost items to their owners.
- A **5 mph speed limit** is in place on the main drive and Waterworks Road to help keep children and families safe. Please ensure this is followed at all times, including when dropping off for Breakfast Club and collecting from After School Club.
- A reminder that **dogs, including puppies, are not permitted anywhere on the school grounds**. There are clear signs displayed around the site indicating that dogs are not allowed.
- **Smoking and vaping are strictly prohibited** on school grounds!

A colorful poster for an exhibition titled 'THE WORLD OF MARTIN BROWN: HORRIBLE HISTORIES AND OTHER DAZZLING DRAWINGS'. The dates are '23 MAY - 31 AUGUST 2026'.
