SCHOOL HIGHLIGHTS

Over the past two weeks, our school community has enjoyed a busy and rewarding time, filled with memorable events and achievements. On Friday 19th June, we celebrated our **Sports Day and Summer Fayre** — a truly wonderful occasion with plenty of fun, laughter and memorable moments for everyone involved. We would like to extend a **heartfelt thank you** to all pupils, families, volunteers and staff for their participation and support, and a special thank you to the PFA for organising such a fantastic fayre. We were also incredibly fortunate with the weather, which made the day even more enjoyable.

Our younger pupils have also reached important milestones in their learning, with Year 1

completing their Phonics Screening Check and Year 4 finishing their Multiplication Tables Check. It has been lovely to see the effort and positive attitude the children have shown throughout these assessments.

Last week brought a real **heatwave across the whole of the UK**, and we did our best to adapt our routines to keep everyone as safe and comfortable as possible. Measures such as additional drink breaks, using cooler shared spaces like the hall, reducing time spent in direct sun, and even enjoying small treats like an ice pop sale not only helped everyone stay positive and make the most of the conditions, but also raised valuable funds for the PFA. We truly appreciate the generosity and support shown by our families during this time.

Looking ahead, there is still much to look forward to, with a range of **exciting trips and visits** taking place across the school. Our Year 6 pupils are already enjoying their residential visit to London, while Year 1 are preparing for their trip to the Kenyon Hall Farm tomorrow. The visits for Years 2, 3 and 5 are not far away either, with plenty of adventures and memorable experiences still to come.

Finally, we would like to remind families about a few **uniform expectations**. School branded fleeces are not part of the official uniform and should not be worn instead of school jumpers or cardigans; however, they may be used as an outdoor coat. In addition, summer dresses should be blue gingham throughout and not include a white top. A full uniform list will be shared before the summer holidays to help everyone prepare. Thank you for your continued support and cooperation.
