School is aiming to be open as before for all year groups but some lessons will be adjusted accordingly.

There will be no swimming on these days.

## Electricity Supply

We have been without half of our electricity for the last two days. This should be resolved by Monday.

Thank you to our kitchen team for keeping hot meals going and to teachers in some classes for working without electricity and adapting, often at short notice.

The class photos will go ahead even if we do not have electricity. School will be open and we will carry on even if the repairs are not finished. We have a contingency plan and we may even have extension leads going to neighbour's houses!

Please be patient and kind to all staff as they will be coping in extreme circumstances.

If you are trying to contact school on Monday and the phone line doesn't work ring us on 07488463843.

Congratulations to our award winners this week.

Just a reminder to parents that children should not be bringing Prime drinks into school. They can have water in their bottles for use during the day. Juice drinks should be kept in their lunch bags for dinner time.

### \*\*CALLING ALL SEPTEMBER SCHOOL STARTERS\*\*

Is your little one starting Reception this September? Will they be attending one of the Schools listed in the advertisement attached?

If so, why not bring them down to the Fun Factor on the date allocated to their school to meet all their new friends?

Here at the Fun Factor, we understand how huge the transition into Primary School can be and understand it can be very daunting!

That's why, each year we hold School Opening Day events that help soon to be Reception children from the same school meet up, make friends, and help ease that transition.

The price is £8 per child, this includes a 2 hour play between 10am-12noon, unlimited juice and crisps!

For more info please don't hesitate to contact us on 0151 526 6332!
